

The Oaklands Primary School

Friday 29th January 2016

Dear parents and carers,

One of the greatest pleasures of school life is seeing our children achieve and succeed. The stage was full of children this morning for our EYFS and KS1 Blue Badge Assembly and this afternoon we celebrated the achievements of our KS2 pupils. Their smiling faces show how proud they are to have their success recognised and it is lovely to see so many of you joining us to share the celebrations.

Our school is full of children's excellent learning. Their maths books demonstrate the excellent progress they are making with calculations and problem solving. Examples of fantastic writing and art are celebrated on the many displays in the corridors and classrooms. The children are always happy to talk about their learning and share what they have been exploring in class.

Over the next few months we will be inviting you all in to school to share some learning opportunities with the children. We will also be holding our spring term Parent Briefing sessions where we will share the work that we have been carrying out with Unicef as we progress towards becoming a Rights Respecting School. We will also be providing information about the Learning Powers that we use in school. We look forward to seeing you all soon.

Thank you for your continued support and partnership.

Mr. D Davis

					
					

wearing colourful trainers to school. We ask that all children wear black shoes for school as part of their school uniform. Many thanks.

Safety Concern

A number of parents are bringing their cars onto the school carpark in the morning to drop off children. To ensure the safety of all our children we ask that you park your cars on the street and walk your children into school. This ensures that the school remains pedestrian only during this busy time of day. Thank you.
