

Friday 11th March 2016

Dear parents and carers,

We have had a fantastic Book Week in school with lots of fun and learning taking place across the school. Last week we were thrilled to see so many of the children dressed as characters from books and the staff enjoyed joining in too! Thank you for your support and creativity which ensured the day was a huge success. On Tuesday we were visited by Anna Cosmos, a storyteller, who worked with our children throughout the day,. The children joined in with the stories and had a great time. Holly the dog and her owner Flo visited and the children shared stories with their new canine friend. All of our teachers swapped classes on Monday to read their favourite stories to a different class. The children have been reading with other children across the school and this is something that we will continue to do in the future. On Monday 21st March we are being joined by children's author Paul Geraghty. His stories and illustrations are amazing and we are very excited about him visiting The Oaklands. We have also been amazed by the wonderful books that you have been making at home with your children. They are sensational and there are definitely some future authors in our school. We really do value the incredible support and encouragement you provide to your children and our school and we thank you for all that you do to make our school special.
